Harbor Technical College

Housing and Residence Policy

Academic Year: 2026–2027

1. Housing Application Opening

Applications for the Fall 2027 residence period open on March 1, 2027. Applications must be submitted through the Student Housing Portal.

Rooms are allocated subject to availability. Submitting an application does not guarantee a room.

2. Eligibility for Residence

Currently enrolled Harbor Technical College students may apply for residence accommodation. Applicants must provide their student identification number and intended residence dates.

3. Residence Quiet Hours

Quiet hours apply daily from 10:00 PM to 7:00 AM. During this period, residents must keep music, conversations, and other activities at a level that does not disturb other residents.

4. Pets

Pets are not permitted in student residences. Service animals may be considered in accordance with applicable accessibility requirements and the college's accommodation process.

Students requiring an accommodation should contact the Student Support Office before moving into residence.

5. Residence Conduct

Residents must comply with safety instructions, protect shared facilities, and report maintenance issues through the Housing Portal.

6. Contact

Housing applications and residence questions should be submitted through the Student Housing Portal.

This policy does not define the eligibility criteria for Northridge University's Merit Scholarship or other institutions' scholarship programs.
