## Merit Scholarship Policy

**Policy ID:** NU-SCH-001

**Effective Academic Year:** 2026–2027

### 1. Purpose

The Merit Scholarship recognizes undergraduate students with strong academic performance. Eligibility is determined using the student's academic year, cumulative GPA, and existing scholarship awards.

### 2. Academic Year Requirement

Applicants must be enrolled in Year 2, Year 3, or Year 4 of an undergraduate degree program. First-year students are not eligible for the Merit Scholarship.

### 3. Minimum GPA

Applicants must have a cumulative GPA of at least 3.50 on a 4.00 scale at the time of application.

A GPA below 3.50 does not meet the academic eligibility requirement.

### 4. Existing Scholarship Restriction

Students who currently receive a university-funded Sports Scholarship are not eligible for the Merit Scholarship during the same academic year.

Students who do not receive a university-funded Sports Scholarship may satisfy this condition.

### 5. Eligibility Decision

An applicant must satisfy all three conditions:

1. Be enrolled in Year 2, Year 3, or Year 4.
2. Have a cumulative GPA of at least 3.50.
3. Not currently receive a university-funded Sports Scholarship.

Failure to satisfy any one condition makes the applicant ineligible under this policy. If required information is missing, the application must be marked as undetermined until the information is provided.

### 6. Application Procedure

Eligible students must submit the online Merit Scholarship application through the Student Portal. The application must include the latest academic transcript and student enrollment details.

The Scholarship Committee reviews complete applications. Meeting the eligibility requirements does not guarantee an award; awards depend on the annual scholarship budget and committee approval.

## 7. Policy Contact

For questions about eligibility, contact the Scholarship Office through the Student Portal.

## 8. Scope Limitation

This policy does not define parking permit refunds, housing policies, residence rules, or parking fees. Such questions must be referred to the appropriate university office.
