Northridge University

Student Finance and Financial Aid Handbook

Academic Year: 2026–2027

1. Student Finance Office Hours

The Student Finance Office is open Monday through Friday, 9:00 AM to 5:00 PM. The office is closed on Saturdays, Sundays, and university-designated public holidays.

Students can submit general finance inquiries through the Student Portal outside office hours.

2. Need-Based Financial Aid

Need-based financial aid supports eligible students who demonstrate financial need. Applicants must submit the university's financial aid application and supporting household income documentation.

The Financial Aid Office evaluates applications based on the submitted financial information and the available annual aid budget.

3. Difference Between Merit Scholarship and Need-Based Aid

The Merit Scholarship primarily evaluates academic year, GPA, and the existing university-funded Sports Scholarship restriction.

Need-based financial aid evaluates documented financial circumstances and household income. Academic merit scholarship eligibility does not automatically determine eligibility for need-based aid, and receiving need-based aid does not automatically establish eligibility for the Merit Scholarship.

4. How to Apply for Need-Based Aid

1. Sign in to the Student Portal.
2. Open the Financial Aid section.
3. Complete the need-based aid application.
4. Upload the requested household income documents.
5. Submit the application and retain the confirmation number.

Incomplete applications may require additional documentation before review.

5. Application Review

The Financial Aid Office reviews submitted applications. Students may be contacted if supporting documentation is missing or clarification is required.

Submission does not guarantee approval. Final decisions depend on eligibility review and available funds.

6. Contact and Scope

Students should direct finance and financial aid questions to the Student Finance Office through the Student Portal.

This handbook does not specify parking permit refund rules or residence housing policies.
